This certificate entitles the bearer to:

1 complimentary wine tasting for 2 people.

Located in the rolling countryside of Frederick County, Linganore Winecellars is the perfect place to taste, tour and unwind. Begin your visit with a guided tour to learn about the history of Linganore Winecellars and the process of winemaking. On the tour, you will go behind the scenes and into our processing rooms to see the actual equipment used by our winemaker.

Continue your visit by tasting a selection of our more than two dozen dinner, dessert and fruit wines. We have created a tasting that includes some of each type of wine so there is something for everyone but if you are interested in a particular wine or type of wine, please let your bartender know. As our staff guides you through your tasting, you will learn about our wines and how to pair wine and food to create the perfect match.

After you have discovered your favorite Linganore wine, unwind with a bottle of wine on our patio, lawn or in our Tasting Room.

**Please call or email for more information.
Reservations are required for groups of 7 or more people.
Valid photo id required. Expires 12/31/18.**

Pairing Voucher From: Solar United Neighbors
