Join Solar United Neighbors of Ohio for our 2nd annual

Ohio Solar Congress

Saturday March 17, 2018
9:30 a.m. – 4:00 p.m.

The Wilderness Center
9877 Alabama Ave SW, Wilmot OH 44689

RSVP at: www.SolarUnitedNeighbors.org/OhioSolarCongress

The Ohio Solar Congress is a free public conference that brings together solar supporters from across the state to learn and discuss the current state and future for solar energy in Ohio. The day will include a series of presentations about solar technology and policy topics as well as ways to get involved with helping to grow solar in Ohio.

Topics will include, solar 101, residential solar + storage, how to best advocate for solar, success stories, working through local barriers to solar, and much more! The event will conclude with a participatory open forum discussion for all attendees to discuss priorities and opportunities that solar supporters in Ohio should focus on in the coming year.

This event is FREE and open to the public. Everyone is welcome to attend!

Whether you're a solar homeowner, completely new to solar, or somewhere in between – this event is for you!

The second annual Ohio Solar Congress will be hosted by Solar United Neighbors of Ohio, in partnership with:
