

Urge your political candidates to sign Solar United Neighbors' non-partisan "Represent Us, Not Utilities" Pledge to refuse campaign donations from monopoly electric utilities. The pledge is simple:

"To maintain independence from monopoly utility interests and to avoid the perception of undue influence on my positions concerning energy policies, I will take no money or gifts from monopoly utilities, their Political Action Committees, lobbyists, or executives."

First and Last Name	Email	Zip Code	Add me to my state listserv	Notify me about volunteer opportunities

Thanks for signing the petition! We will send this message on your behalf to your candidates for state office in your area.
