

**Go solar.  
Join together.  
Fight for our energy rights.**

*Join Solar United Neighbors of Maryland for our 3<sup>rd</sup> annual*

# **Maryland Solar Congress**

**Sunday September 23, 2018**

**10:00 a.m. – 4:00 p.m.**

**University of Maryland, Baltimore County**

**1000 Hilltop Circle**

**Baltimore, MD 21250**

**RSVP at:** [www.SolarUnitedNeighbors.org/MarylandSolarCongress](http://www.SolarUnitedNeighbors.org/MarylandSolarCongress)

The Maryland Solar Congress is a free public conference that brings together our diverse solar community to learn, discuss the current state of solar energy, and talk about Maryland's solar future. The day will include a series of presentations about solar technology and policy, as well as opportunities for solar supporters to get involved with helping us grow the solar movement in Maryland. Topics will include: solar 101 information session, solar + battery storage in the residential setting, community solar, emerging Maryland solar policy initiatives, and much more! The event will conclude with a participatory open forum discussion for all attendees to discuss priorities and opportunities that solar supporters in Maryland should focus on in the coming year.

Breakfast and lunch will be provided for all attendees!

**This event is FREE and open to the public. Everyone is welcome to attend!**  
Whether you are a solar owner, completely new to solar, or somewhere in between – this event is for you!
