*Whether you are interested in learning more about solar, a long-time solar supporter, or somewhere in between – this event is for you!*

The Pennsylvania Solar Congress is a free public conference on solar energy that brings together solar supporters from across the state to learn about and discuss all things solar in Pennsylvania. The day will include a series of presentations about solar technology and policy topics as well as ways to get involved with growing solar in Pennsylvania. Breakfast and lunch will be provided for all attendees!

**This event is FREE and open to the public. Everyone is welcome to attend!**
