Whether you are interested in learning more about solar, a long-time solar supporter, or somewhere in between – this event is for you!

The DC Solar Congress is a free public conference on solar energy that brings together the city's diverse community of solar supporters to learn about and discuss all things solar in D.C. The day will include a series of presentations about solar technology and policy topics as well as ways to get involved with growing solar in D.C. Breakfast and lunch will be provided for all attendees!

This event is FREE and open to the public. Everyone is welcome to attend!
