

# Want to help your Hillsborough neighborhood Go Solar?

You're invited to  
grow solar adoption  
with the

## Sarasota County 2020 Solar Co-op

- Send an email to your neighborhood
- Post on social media (NextDoor, Facebook, Twitter, etc.)
- Share the [next solar information session](#)
- Post in your work newsletter, school or organization
- Place a sign or flyer in a lawn, library, or shop window

*Digital files to share or Print your own! Or a solar ambassador can provide materials such as flyers or yard signs.*

Solar United Neighbors, a vendor-neutral nonprofit, helps neighbors go solar, together.

## Help spread the word about solar!

### **Sample Email**

Solar United Neighbors of Florida has launched the [Sarasota 2020 Solar Co-op](#). We bring homeowners together into a group, or co-op. SUN provides unbiased, installer-neutral support through each stage of the process of going solar. Their experienced team ensures you understand how solar works, how it can be financed, and how it can be installed on your home.

Co-ops take advantage of the group's bulk-purchasing power to get discounted pricing and a quality installation. Co-op volunteers choose an installer on behalf of the entire group through an open and competitive bidding process. The selected installer provides everyone in the group with a personalized proposal for their consideration; there is no obligation to install. Join the Sarasota 2020 Solar Co-op today at:
