

# Want to help your neighbors

# Go Solar?

You're invited to  
grow solar adoption  
with the

## Greater Tampa Solar Co-op

*open to Hillsborough County*

- Send an email to your neighborhood
- Post on social media (NextDoor, Facebook, etc.)
- Share the [next solar information session](#)
- Place doorhangers around your neighborhood
- Place a sign in a lawn, library, or shop window

*A solar ambassador can provide materials such as doorhangers, flyers and yard signs (no contact)*

Solar United Neighbors, a vendor-neutral nonprofit, helps neighbors go solar, together.

## Help spread the word about solar!

### Sample Email

Solar United Neighbors of Florida has launched the [Greater Tampa Solar Co-op](#). We bring Hillsborough county homeowners together into a group, or co-op. SUN provides unbiased, installer-neutral support through each stage of the process of going solar. Their experienced team ensures you understand how solar works, how it can be financed, and how it can be installed on your home.

Co-ops take advantage of the group's bulk-purchasing power to get discounted pricing and a quality installation. Co-op volunteers choose an installer on behalf of the entire group through an open and competitive bidding process. The selected installer provides everyone in the group with a personalized proposal for their consideration; there is no obligation to install. Join the Greater Tampa Solar Co-op today at:
