 - a. **Send them an EMAIL or text with the registration link:**

Template Email:

Hi {{name}},

Solar United Neighbors has launched the {{co-op name}} Solar Co-op. SUN brings homeowners together into a group, or co-op. SUN provides unbiased, installer-neutral support through each stage of the process of going solar. Their experienced team ensures you understand how solar works, how it can be financed, and how it can be installed on your home.

Co-ops take advantage of the group's bulk-purchasing power to get discounted pricing and a quality installation. Co-op volunteers choose an installer on behalf of the entire group through an open and competitive bidding process. The selected installer provides everyone in the group with a personalized proposal for their consideration; there is no obligation to install. Join the {{co-op name}} Solar Co-op today at: {{co-op website link}}.

- b. **Give them a quick CALL:**

Template Phone Call:
