

Want to help your neighbors

Go Solar?

You're invited to
grow solar adoption
with the

Manasota Solar Co-op

open to Manatee & Sarasota County

- Send an email to your neighborhood
- Post on social media (NextDoor, Facebook, etc.)
- Share the [next solar information session](#)
- Place a sign in a lawn, library, or shop window

*A solar ambassador can provide materials like
flyers and yard signs (no contact)*

Solar United Neighbors, a vendor-neutral nonprofit, helps neighbors
go solar, together.

Help spread the word about solar!

Sample Email

Solar United Neighbors of Florida has launched the [Manasota Solar Co-op](#). We bring Manatee & Sarasota county homeowners together into a group, or co-op. SUN provides unbiased, installer-neutral support through each stage of the process of going solar. Their experienced team ensures you understand how solar works, how it saves you money on your bills, and how it can be installed on your home.

Co-ops take advantage of the group's bulk-purchasing power to get discounted pricing and a quality installation. Co-op volunteers choose an installer on behalf of the entire group through an open and competitive bidding process. The selected installer provides everyone in the group with a personalized proposal for their consideration; there is no obligation to install. Join the Manasota Solar Co-op today at:
