

# Ready, Set, Solar!

The Ready, Set, Solar! Program simplifies the process of installing solar panels by providing consumers with one-on-one guidance from our Go Solar experts. This will enable them to make the most informed decision when individually purchasing solar panels, electric vehicle chargers and/or battery storage systems.

## Solar made simple.

- The free program offers an eight-week, comprehensive curriculum to get you “solar ready”.
- Personal coaches will help each participant navigate through the entire process of going solar.
- We offer unbiased, installer-neutral advice and expertise.
- Active support from a network of peers, including SUN staff, solar homeowners + volunteers.
- Materials available in English + Spanish.

Open to individuals and businesses located in the central Shenandoah Valley from Lexington in the South to Winchester in the North.

Solar United Neighbors (SUN) is a national nonprofit helping people go solar, join together, and fight for their energy rights.

## Help us spread the word!
