

Go Solar with the Palm Beach 2022 Solar Co-op!

Open to residents and businesses in Palm Beach County.

Solar United Neighbors (SUN) is a national nonprofit helping people go solar, join together, and fight for their energy rights.

Help us spread the word!

- Send an email to your neighborhood
- Post on social media (NextDoor, Facebook, etc.)
- Share the next solar information session
- Place a sign in a lawn, library, or shop window

A solar ambassador can provide materials like flyers and yard signs (no contact).

Solar United Neighbors of Florida is accepting new members for the Palm Beach 2022 Solar Co-op until January 17! SUN brings Palm Beach county homeowners together into a group, or co-op. They provide unbiased, installer-neutral support through each stage of the process of going solar. Their experienced team ensures you understand how solar works, how it saves you money on your bills, and how it can be installed on your home. Co-ops take advantage of the group's bulk-purchasing power to get discounted pricing and a quality installation. Co-op volunteers chose Sprightful Solar on behalf of the entire group through an open and competitive bidding process. The selected installer provides everyone in the group with a personalized proposal for their consideration; there is no obligation to install. Sample Social Media Post

I recently signed-up to be a part of a Palm Beach 2022 Solar Co-op (free membership) with Solar United Neighbors! The close date for the co-op is January 17, 2023. Sign up to join at SolarUnitedNeighbors.org/PalmBeach. It gives you the personal support to be able to know things like if your roof is equipped for solar, and if you decide to go solar, it allows for discounts by going solar at the group rate. Hope you will check it out!
